

Dear Sir/ Ma,

My name is Olaniyan Olamide Christopher, a graduate of surveying and geoinformatics; I am looking forward to attending the University of NOTRE DAME for my Master's program this fall.

I am using this opportunity to humbly seek for financial assistance in your great institution as I would not be able to afford the tuition fee if granted an admission. I am presently responsible for the care of my only sister who is in her third year in the higher institution after my father's retirement. I would sincerely appreciate if I can be granted a scholarship or financial aid so as to push through by master's program.

However, since my high school days; I had been very passionate about wanting to further more and I have consistently proven throughout my previous studies and working experience that when presented with an opportunity, I will strive as hard as I can to best represent myself and reward those who have granted me a chance to prove such. I will be glad if my request for financial support can be granted.

Thank you for your time.

Kind regards,

Olaniyan Olamide, Christopher
